Our office hours are
Monday -Friday
8:30am to 12:00pm
& 1:00pm—5:00pm

The California Telephone Access Program (CTAP) provides telecommunications equipment to Californians with phone service who have difficulty communicating on the telephone due to hearing loss. CTAP also has phones for people with difficulty seeing, speaking, remembering, or moving. Deaf & Hard of Hearing Services Center, Inc. (DHHSC) has one of the few permanent displays of CTAP equipment in the state. If you have a hearing loss, you can come to our office and try these phones to see which one best meets your needs. There is no cost, obligation, age, or income requirement for this State-mandated program.
