

# COCHLEAR IMPLANT SUPPORT GROUP

- Do you have a cochlear implant?
- Thinking about getting one?
- Do you have a child with cochlear implant or are thinking about implanting your child?
- Looking for support, advocacy, referral, resources or just someone to listen?

Come join us for this new and exciting group. We plan to have peer support, guest speakers, educational resources and fun activities.

Assistive listening devices/loop system available
