

To Volunteer for DHHSC

All volunteers must be able to communicate in ASL, go through a soft background check and complete the following tasks:

- 1.) Volunteer Application
- 2.) HIPAA Test
- 3.) Orientation

Volunteer opportunities are available in the following areas:

- 1.) DHHSC Events
- 2.) Educational Workshops
- 3.) Special Projects
- 4.) Fund Raising

All volunteer opportunities are emailed to the volunteers and the volunteers can pick and choose which opportunities to participate in.

If the purpose of volunteering is for service learning hours, please be advised that DHHSC cannot guarantee hours therefore, volunteers should participate in all available opportunities as early as possible.

DHHSC will not accommodate volunteers who wait until the last possible minute to accumulate hours.

Volunteers who are performing service hours will be responsible for signing in and out on the DHHSC volunteer form. Hours not properly recorded will not be credited.

You can find the Volunteer Application and HIPAA test online at:

Once you have filled out the application and HIPAA test, save each as a single word file and email it to: resources@dhhsc.org
