

DISABILITY EQUITY PROJECT

Supporting Families & Individuals Affected by Covid-19

WHAT IS DEP?

We are a coalition of well-established, trusted local organizations working together to support Fresno County Department of Public Health to serve families impacted by COVID-19.

WHO DOES DEP SERVE?

We serve Individuals (adults and children) and families living with a wide-range of disabilities or related challenges including:

- o Blindness or vision loss
- o Deaf or hard of hearing
- o Developmental, physical or intellectual disorders/differences/diagnoses
- o Plus, parents and caregivers

HOW CAN DEP HELP?

- o Screening and urgent support for families with a positive COVID-19 case
- o Coordinating referrals to partner agencies providing resources
- o Securing funding for urgent isolation/quarantine needs (food, housing, respite, equipment)
- o Sharing the latest news and safety information about COVID-19 within Fresno County, with special care and attention for the disability population

Children and adults with disabilities can be the hardest hit when it comes to Covid-19. If you, your family or caregiver have been diagnosed with the virus, we're here to help.
