

#GivingTuesday 2023

Dear Community, we are asking for your support!

Tuesday after Thanksgiving each year is #GivingTuesday, a day that many dedicated non-profit community benefits organizations across the country will be asking their communities for support for the work they do. And just like them, on November 28th, we are asking the same from you.

Please consider the following options for supporting us this year on Giving Tuesday:

CHOOSE YOUR SUPPORT FOR THESE GOALS:

- **GOAL 1 Ubi-Duo, \$2,000:** To be used at the Fresno HQ when hearing, nonsigning individuals come to the center to request services; also to be used with Hard of Hearing and Late Deafened individuals during “What Did You Say?” and CI Support Group meetings.
- **GOAL 2 Interpreting Services, \$5,000:** To pay interpreters for their work while interpreting for ROCK families and staff trainings.
- **GOAL 3 Social Community Events for Outreach Offices, \$2,000:** To host fun activities for the Deaf and Hard of Hearing Community to reduce isolation, enjoy local attractions, and learn new resources.
- **GOAL 4 Ceiling and light replacements: \$80,000:** All tiled ceilings and light fixtures in the HQ need to be replaced because the current tiles are starting to sag and some lights are not working.

To donate online, visit:
