## 4 GOALS FOR 2024 - DETAILS

**GOAL 1 - Pay Off Renovations of Fresno HQ Building:** We need funds to pay off the Fresno HQ renovations. We raised more than half the funds but would like to use fundraising to pay off the renovations.

**GOAL 2 - Fresno HQ Bathroom Renovations:** The two bathrooms in the Fresno HQ need to be updated and with better accessibility.

**GOAL 3 - Funds for Annual Events:** The costs of hosting events have increased dramatically over the years and it is becoming more expensive to host our annual Valley Deaf Festival (VDF), Holiday Luncheon/Parties, and Deaf History. We request funds to offset facility fees, Spanish and ASL interpreting services (to make the events accessible to everyone), and food at our Holiday Luncheon/Parties.

**GOAL 4 - Funds For ASL Program, LGBTQIA+ Socials/Pride 2025 and DeafBlind Support Group:** Our ASL Program needs new materials and subscriptions to ASL websites and videos, our DeafBlind Support Group needs dark backgrounds for their monthly meetings, and we need funds for Pride 2025 and educational workshops.
