

CONNECT with WORK

Employment Services for Deaf and Hard of Hearing Individuals

Through Wagner Peyser grant funding, Deaf and Hard of Hearing Service Center and America's Job Center of California are proud partners in providing employment services to the Deaf and Hard of Hearing of Central California.

What we offer clients:

- Create and modify resumes, conduct search to match employer job openings
- Develop employment development plan to identify goals, objectives, and provide services to support plan
- Provide mock interviews
- Contact potential candidates
- Meet and recruit employers
- Assistance with job fairs
- Gain exposure to job openings
- Train and assist with new jobs
- Provide assistance with Unemployment Insurance (UI)
- Cover letter assistance

CONNECT with WORK

What we offer employers who hire the Deaf and Hard of Hearing:

- Meet regularly with partners and community stakeholders to make recommendations for improving services to the Deaf and Hard of Hearing
- Work with partners in the development of job position descriptions and vacancy announcements
- Collaborate with partners and community-based organizations to leverage resources and build capacity to serve the needs of the Deaf and Hard of Hearing
- Conduct extensive and thorough workforce development activities and mediated services for employers, including applicant screening, rating/ranking panels, interviews, and referrals
- Work with employers to develop recruitment strategies, events, and long-term plans of action
- Coordinate with committees, apprenticeship programs, and businesses
- Raise awareness on the benefits of hiring the Deaf and Hard of Hearing
- Connect employers with prospective employees
