

Raffle Prize: Win Wally's Intricate Woodwork Transcript

Hi. I want to let you know about an awesome raffle fund raiser for Deaf and Hard of Hearing Service Center. A friend, Wally Wiebe, makes beautiful woodwork. He is very, very talented. We saw one that he made from wood and were absolutely fascinated. We asked him to make one for a DHHSC fundraiser? He said sure! We recently got it. Wow! It is beautiful. Let me show you.

Wow! Did you see all the details? The wood pieces are different colors, different shapes, different sizes and all fit together. How did he do it? Wally said it took 100 hours to make it. We call it "Wally's Intricate Woodwork".

Raffle tickets cost \$5.00 for one ticket. You can purchase it at the DHHSC Fresno Office. If you live out of town, you can contact me and we will make arrangements for you to buy tickets.

The drawing will be during Valley Deaf Festival on November 15, 2025. That means you can buy some tickets every month, May, June, July, and so on. Then you have more of a chance to win. Let you know, you do not have to be present at the Valley Deaf Festival when we draw the winner. Of course we hope you will go, but if you win we will contact you to let you know.

Also, there is another video of Wally. He explains how he makes his wood. The woodwork is his own creation. It is fascinating to watch. You can look for Mariel's "Chat Chat". She chatted with Wally. You can go to the DHHSC website and find the video and watch it.

Thank you so much.
