Volunteer opportunities are available in the following areas:

DHHSC events, educational workshops, special projects, fundraising, and others.

NOTE: All volunteer opportunities are emailed to the volunteers and the volunteer can pick and choose which opportunity to participate in. If the purpose of volunteering is for service learning hours, please be advised that DHHSC cannot guarantee hours, therefore, volunteers should participate in all available opportunities as early as possible.

DHHSC will not accommodate volunteers who wait until the last possible minute to accumulate hours.

Volunteers who are performing service learning hours will be responsible for signing in and out on the DHHSC volunteer form. Hours not properly recorded will not be credited.

Fill out the volunteer application online. Once you are approved, Susan Coulter, our Educational Services Director, will contact you for next steps.

If you have any questions, please contact Susan Coulter 559-225-3323 Voice, 559-578-4117 VP, or resources@dhhsc.org.

THANK YOU FOR VOLUNTEERING WITH US! You do make a difference!
