

Dia de Los Muertos Transcript

Hello everyone!

DHHSC has exciting news to share with all of you! We are partnering with Poder Latinx, hosting an event called “Dia de Los Muertos” (Day of the Dead).

You may be wondering? What’s that? The Latino community has a strong tradition honoring their loved ones who passed away. In addition, we will be showing the movie, “Coco” for everyone to watch and enjoy. Also, we will provide sweet bread, coffee, and some food! What’s amazing about this event is that it is FREE! Take the opportunity to stop by and experience this tradition with us!

The event will be on November 1, 2025, Saturday. From 4PM - 7PM in the evening. The event will be at DHHSC HQ (Fresno, CA).

Also, don’t forget to have the opportunity to bring a picture of a family, friend, or loved one with a picture frame that you can bring. DHHSC will be setting up an Ofrenda (flower altar). That you can put your picture frame on to celebrate them then take home with you after the event.

I am excited to experience this with you all this amazing cultural tradition that has been celebrated.
